INFLUENCE OF A KING

A Novel

TITI HORSFALL

"Horsfall's novel reads with breathless ease. . . . This is fiction at its heart warming best." -Anote Ajeluorou, *The Guardian*, Lagos, Nigeria

Could it be that global events have aligned to fit a particular purpose . . . for such a time as this?

Chad. Born into a life of privilege, with an unquenchable thirst for adventure, and stirred by a passion to honor his king and defend his people from Hitler, a young Englishman embarks on a mission that could prove to be more than he ever imagined. When he loses his memory and finds love, will his desires destroy his mission . . . or fulfill it?

Kanyam. Along the creeks of the Niger Delta, oppressed by superstitions, discrimination, and colonial tyranny, a beautiful African girl seeks hope and a sense of purpose.

Influence of a King spans the globe during a time of harrowing worldwide events-the Great Depression, the droughts of America's Dust Bowl years, World War II and post-war developments-and captures the essence of faith, fate, and the power of choices. Can two individuals with nothing in common yet everything happening around them, including the choices made on their behalf, establish an uncommon love and fulfill a greater purpose? Set in England, America, and Nigeria, this sweeping love story delivers an active perspective of tumultuous historic events, as well as the human interplay in interracial harmony and religious identity.
